### **Pray as you Go** -----

Pray as you go is a daily prayer session, designed for use on portable devices, to help you pray whenever you find time, but particularly whilst travelling to and from work, study, etc.

A new prayer session is produced every day of the working week and one session for the weekend. It is not a 'Thought for the Day', a sermon or a bible-study, but rather a framework for your own prayer.

Lasting between ten and thirteen minutes, it combines music, scripture and some questions for reflection.

Our aim is to help you to:

\* become more aware of God's presence in your life

\*listen to and reflect on God's word

\*grow in your relationship with God

It is produced by Jesuit Media Initiatives, with material written by a number of Jesuits, both in Britain and further afield, and other experts in the spirituality of St Ignatius of Loyola. Although the content is different every day, it keeps to the same basic format.

### **Busted Halo - faith shared joyfully**

Busted Halo is a unique media resource that utilizes a relevant and accessible voice to help people understand the Catholic faith, put it into practice in their everyday lives, and share it with others.

Our vision is for a more joyful and meaningful experience of Catholicism that positively impacts people's lives. At Busted Halo, we aim to bring the joy of the Gospel to all people in innovative and creative ways. Through articles, video, podcasts, radio, and social media, we aspire to help Catholics embrace their faith more fully. We value the experiences and questions of people seeking to better understand their faith and offer resources to better comprehend and share the richness of the Catholic faith.

What's Up With the Name?

Catholic belief is that all God's children are "saints in the making," yet our life's journey is fraught with imperfections, struggles, and mistakes. Each of us sports a Halo that is either dented, scratched, tarnished... in some way Busted. God loves us despite this and continually calls us to polish our halos up to a nice golden shine.

## The Paulist Fathers

Busted Halo is a ministry of The Paulist Fathers. The Paulist Fathers are a religious order of Roman Catholic priests — the first to be founded by an American citizen — whose mission territory is the United States. The original founder of the Paulists, Servant of God, Fr. Isaac Hecker, CSP, believed strongly in using the most modern methods of communication to bring to life the ancient message of the Gospel. In their more than 150 years as missionaries to North America, the Paulists have been on the forefront of publishing, radio, TV & film and digital media.

### **Two Minute Apologetics - Bible Christian Society**

Apologetics is about building the case for our Faith...learning how to explain and defend our Faith.

The word "apologetics" is derived from the ancient Greek word *apologia*, which means, an apology. Not an apology in the modern sense of the word - which is to say you're sorry for something. But rather, an apology in the ancient sense of the word - which is to make a reasoned defense of something or someone. In ancient times, the word apology referred to the case a lawyer would make on behalf of his client.
